

Applicant: Mario Meggiolan
Application No.: 10/073,407

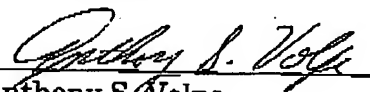

REMARKS

By this Amendment, the Applicant has incorporated the subject matter of the objected claims, together with subject matter in any intervening claim, into independent claim 1. Accordingly, it is submitted that claims 1-8, 10, 11, 14-23, and 28-31 are now allowable. Claims 40-44 were previously allowed.

In view of the above, early reexamination and allowance of all pending claims is respectfully requested. If the Examiner believes that an interview, telephonically or in person, will advance allowance of this application, it requested that the undersigned be contacted to arrange the interview.

Respectfully submitted,

Mario Meggiolan
